Safe to order from your gunsmith, delivery directly to your home\*!

Emergency key lock behind the battery compartment.

In the context of possession of category B weapons, it is mandatory to have a safe to keep the weapons in question out of reach of third parties. In general, it is strongly advised to put your weapons, whatever their categories (B, C or D) out of reach of children and possible intruders or thieves by storing them in a safe for weapons. This safe must be fixed to the floor or to the wall.

**Free delivery provided by courier service on the ground floor, unpacked, in Metropolitan France.**
