DANIEL DEFENSE is one of the most popular AR15 brands in the world.

It is recognized for the quality, precision, finish and durability of its weapons.

The MK18 chambered in 5.56 is certainly the flagship of the American firm. Its RIS II Quad Rail Picatinny handguard has also been adopted by the USSOCOM to equip their weapons.

With its 10.3" barrel, it is positioned as a compact weapon dedicated to close combat and CQB.

Its lightness and small size make it easy to handle and responsive in a closed environment, while allowing you to maintain high precision when shooting applied at longer distances.

Its quad Picatinny RIS II rail, offers many possibilities for mounting accessories, whether lamps, lasers, optics, handles ...

The stock, the pistol grip and the handguard are equipped with "rubber" type over-grip offering excellent comfort as well as a firm and natural grip.
